Job description

Participants are responsible for providing a safe environment for guests by enforcing Camelback policies. Participants will also be interacting with guests while dispatching guests on the Parks attractions. Participants are responsible for making sure the attractions are operated according to Camelback policies. Position Requirements: Participants must be able to walk/stand for up to 8 hours at a time. Participants must be comfortable being in chlorinated water for long periods of time and must have good swimming skills. All lifeguard positions are outside and exposed to typical New England weather, which may include rain and colder days. It is expected the participant will be able to handle the climate and work outside. No prior experience or training is needed as the employer will provide all necessary training. There will be a total of 2 Lifeguard Certification classes held at Camelback. Lifeguards must pass this class in order to have the job. The classes are offered at no cost to participants and participants will be paid for the time spent

taking the 30-hour Lifeguarding class. Additional, deep-water certification may be available; participants who pass this deep-water certification will get a raise to \$9.50; details reviewed at orientation. If a participant does not make it in time for a class or fails the class, Camelback cannot guarantee another position. Participants are able to work in the Park Services department in the days between their arrival and the lifeguard class. Job duties include cleaning the restrooms (including cleaning toilets) and all areas of the park using cleaning chemicals. In addition to a 3 day certification class, lifeguards will be required to undergo four hours of in-service training each month to maintain their license. Lifeguards receive training through the Jeff Ellis and Associates International Lifeguard Training Program. Again, participants are not charged for training; participants are paid for all training.
