University break dates - To be completed by Participant

I understand the purpose, rules and regulations governing the J-1 Exchange Visitor Program and have consulted the US Department of State website for information, reiterating what has been provided by my sponsor, at <http://exchanges.state.gov>.

I hereby certify that I am enrolled as a full time bona fide post-secondary school student and commit to only participating in the Summer Work & Travel Program during my main university break (school's official summer vacation). I understand that the DOS Regulations prohibit me from working once my university break has ended and will therefore only accept a job offer for which program activities' dates do not conflict with my official university summer break.
