Please note: As participants are working only during home games of the team, they should review the schedule carefully. Participants will work according to the Minnesota Twins baseball schedule, for all HOME games. This means participants should expect to be working about 4 or 5 days in a row, then having approximately 4 days off. Participants can plan their travel and 2nd jobs schedules around the baseball schedule. Complete schedule is attached.

Please note: Participants are expected to be able to handle pork and alcohol products.
