Job description

Cashier, Kitchen Help, Server As a food counter attendant, participants will be preparing and serving customers' foods and drinks. Depending on the items served at the counter, the food counter attendant may be responsible for some basic preparation of the food. Participants will take orders from customers and adjust the items based on customers' needs (for example: omitting items from a sandwich). Duties also involve handling the financial transactions related to the food and drink purchases and delivering orders to the kitchen when applicable. Participants may also be responsible for tracking and handling inventory for the counter. Participants will be handling pork

products. Participants will be using cleaning chemicals.
